2017-2018 Board of Education Goals

Approved October 19, 2017

Objective: To identify Board of Education goals for 2017

Board of Education Goals – 2017-2018

1. Strategic Planning

- Support the development and implementation of the Strategic Plan through the 2017-2018 school year:

We will serve *all* of our students by focusing on the following goals within a comprehensive and coherent PK-12 framework:

- Our district will create an innovative and rigorous educational experience in a borderless learning community that produces creative students who are problem solvers and self-directed individuals.
- All students will receive social and emotional support to become adaptable, confident citizens who embody self-awareness and strong interpersonal skills, capable of responsible decision-making and managing their emotions and behaviors.
- Our community of adult learners will be fully engaged in professional growth experiences which enable them to continuously hone their craft and maximize student achievement.

2. Budget 2018-2019

- To direct the administration to adhere to the following goals in the construction of the 2018-2019 school operating budget:
 - Manage and control expenses in the operating budget with the goal of achieving an end of the year surplus of 2.5% of the total operating budget
 - Provide adequate funding that does not diminish, to the greatest degree possible, current services to students
 - Ensure a tax levy of 2% exclusive of the SGLA (spending growth adjustments) and banked cap.

3. Out Reach

- To continue opportunities for community engagement
- To continue direct communication to all employees
- To continue to provide current updates of major district initiatives to all stakeholders

4. Boardsmanship

- To strengthen our abilities through inservice and development by taking advantage of workshops and seminars.
- To expand opportunities for Board Member engagement
- To be more visible at district and community events
